Mijn magisch brouwsel

Maak een magisch brouwsel en ga op zoek naar alles wat kracht kan geven in de natuur. Doe alles in een (heksen)pot. Maak een fizz brouwsel door baking soda te gebruiken, bio glitter erin te doen en over alle natuurvondsten te strooien. Voeg azijn toe of citroen en SEE THE MAGIC happen!

Liever water gebruiken? Dat kan ook met een magisch extra ingrediënt. In mijn boek vind je superveel van die leuke recepten...

TIP: in mijn boek staan honderden speel -en
lesideetjes! YES IK WIL HEM!

Magische kracht:

Mijn toverstok

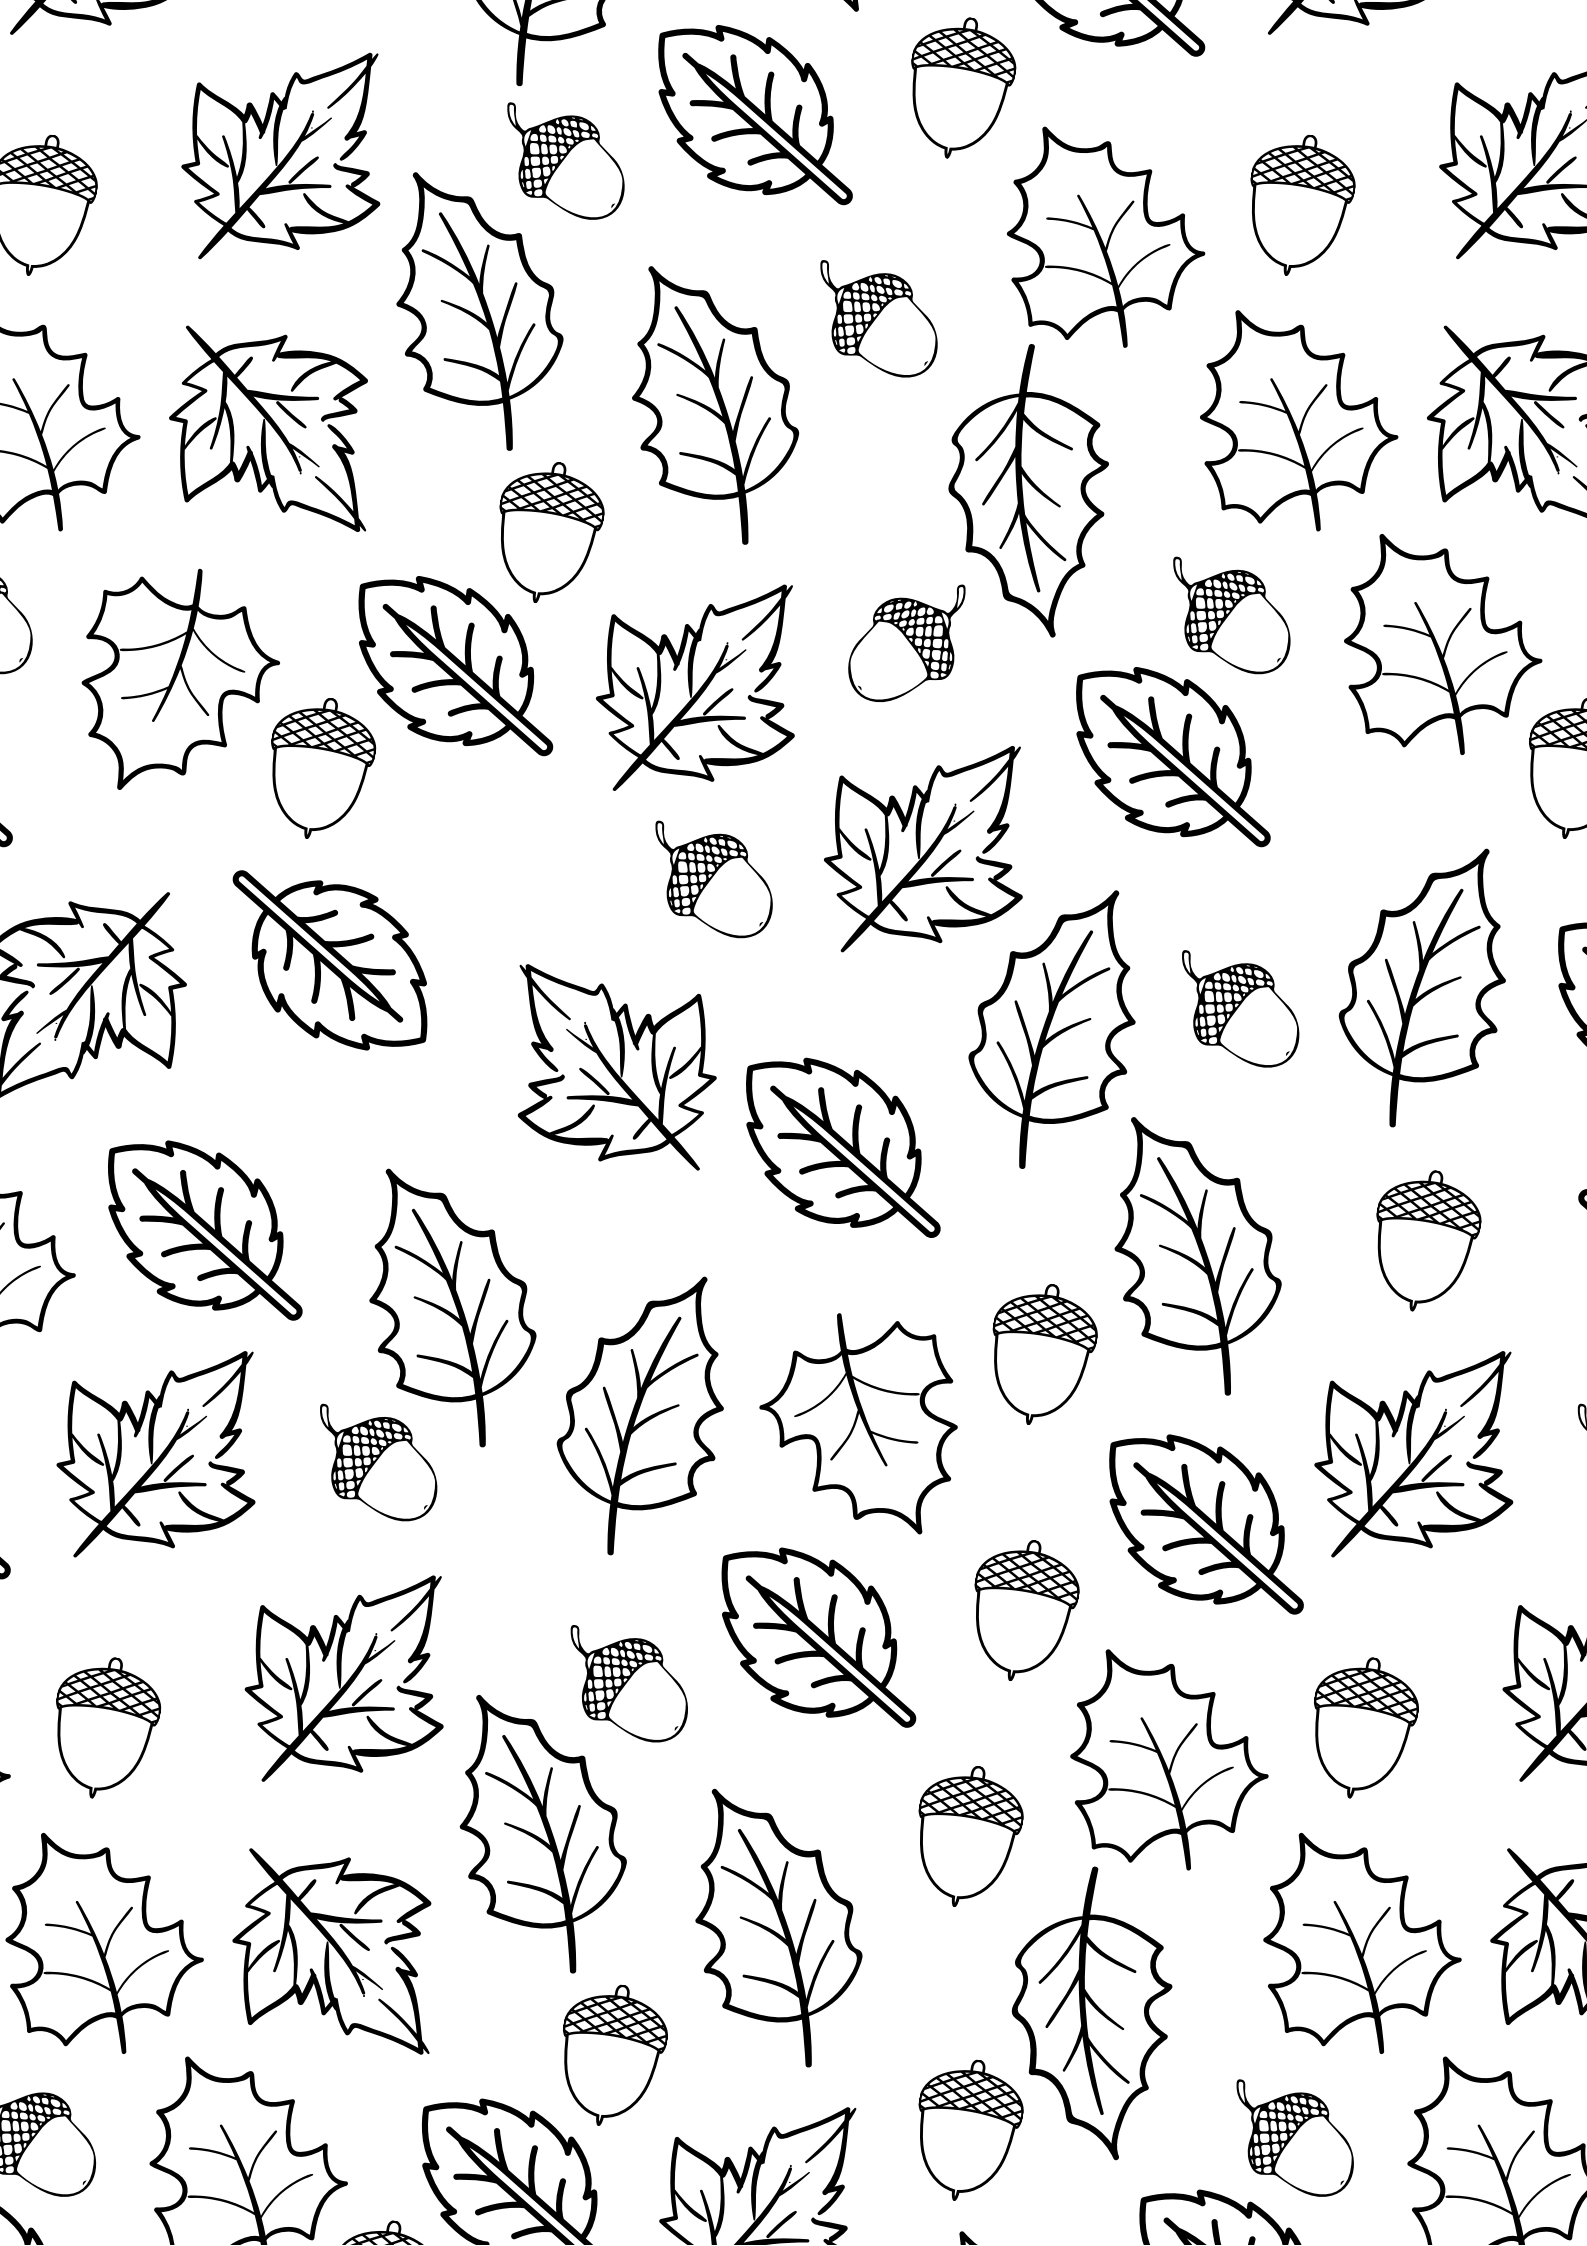

Zoek in het bos de mooiste tak die je kan vinden.
Schuur hem een beetje op. Versier! Je kan
verschillende dingen doen....

- met wol omwikkelen en er kralen aanhangen
- verven en met glitters bestrooien
- met ijzerdraad omwikkelen en er dan klei tegenaandrukken en laten drogen
- met FIMO klei een handvat en decoratie maken en afbakken
- een edelsteen aan de bovenkant vastlijmen of mee in de FIMO verwerken
- ...
